

RUNWAY

AUSTRALIAN EXPERIMENTAL ART

Board Member (Based anywhere)

Runway is an organisation that has been running for well over 10 years, in its time it has produced multiple events, issues, content and a now a fully functioning archive. As we move forward into the next few years of the organisation we are looking for strong voices to help lead and direct Runway into the future.

As a board member you will be able to assist and lead many different projects from events, admin, workshops and to assisting with editing for the three yearly issues.

If you feel you have creative ideas on how Runway can improve and continue growing, and also have a passion for the arts and art writing, then we would love to hear from you.

Pitch to us what you think we could improve and how you think you can help Runway get there!
